

MATERIALPRÜFUNGSAMT NORDRHEIN-WESTFALEN

Member of Verband der Materialprüfungsämter (VMPA) e.V.
Marsbruchstraße 186, D-44287 Dortmund

CERTIFICATE OF CONFORMITY

according to DIN EN 45 011

No. 11 7417-1/4

for the enterprise:

vonRoll hydro (suisse) ag
Von-Roll-Straße 24 – CH-4702 Oensingen

and its factory:

vonRoll casting (pipe systems) sa
Von-Roll-Straße 24 – CH-4702 Oensingen

concerning the following products:

**ductile cast iron pipes for pipe lines according to EN 598 with
nominal diameters from DN 80 to DN 600 manufactured as:**

**„geopur“-pipe with sockets and an internal coating of PUR (Polyurethane) as well as an
external protection against corrosion consisting of a zinc layer and a bitumen coating**

The pipes have a double-chamber-socket. Insertion of a vonRoll *hydrotight*-gasket alone enables a flexible joint.

The insertion of an additional internal and external push-resistant locking system enables a restrained joint.

Conformity according: MPA NRW- assessment report **no. 11 7417 06-01**

The product cited above fulfils the certification scheme **“Certification and surveillance of ductile iron pipes, fittings and their accessories for water pipelines, sewerage applications as well as for gas pipelines according to DIN EN 545, DIN EN 598 and DIN EN 969”** of the MPA NRW.

Requirements according to: **EN 598, edition October 2007**

The assessment report is part of this certificate.

This certificate is valid until **31.12.2011**.

Dortmund, 01.12.2009
